

# Choctaw Word Order

Noun

Color

Number

In this lesson we are ready to add the **number** to our Choctaw noun phrase.

## Three-Word Noun Phrase

Example:

aiimpa lakna tuchina  
↓ ↓ ↓  
table yellow three

Translation: three yellow tables

Please note: In Choctaw, plurals are identified by numbers or by words that mean 'more, many or less, few'. When translating back to English add 's' or 'es' to show more than one.
