

Lesson of The Day

Dialogue Lesson 4 of 5: Chi hohchvffo ho?

A previous lesson asked the question “**Chi hohchvffo ho?**” (Are you hungry?) This lesson answers that question.

The use of ‘**chi**’ also means ‘**you**’ and is in the second person singular form. This usage shows how ‘**you – chi**’ is affected by an action or adjective.

Sv is a possessive personal pronoun used when referring to emotions, some family relationships, and body parts. It can be translated as 'my' and 'I am' when describing emotions or state of mind.

Sv hohchvffo chohmi.

I am somewhat hungry.

Word Meaning: sv (sah) = I am

hohchvffo (hoh-cha-foh) = hungry

chohmi (choh-meh) = somewhat, sort of, kind of
